Technology • Teamwork • Results

Next Wave Title is a full-service and bilingual title agency serving Palm Beach County and focused on providing a superior experience. Extensive resources and detailed industry knowledge enable us to offer a wide range of services, from title searches and insurance products to settlement services for residential, commercial, and bulk transactions.

We utilize cutting-edge cyber-security technology, industry-leading remote notary, and client-centric solutions to provide you with the best experience for all your transactions.

Partner with us to help you succeed

- **Clients** We work nationwide with clients in every area of the title and closing industry, including fixers/flippers, private investors, bulk sale transactions and refinances.
- **Technology** Get your title quotes right away. With our easy-to-use platform, you can generate quotes, seller net sheets and preliminary closing statements. Saving and sending documents to your clients is one click away!
- **Compliance & Quality** We maintain a strict ALTA, TRID, and CFPB regulatory compliance program to safeguard your clients' information and interests. Our process management ensures quality products and services.
